I. Statutory Context & Judicial Mandate

1. The High Court Mandate:

Pursuant to the judgment of the Hon'ble Islamabad High Court dated 30.06.2026 in C.M.A. No. 75 of 2025, fresh elections of the Executive Committee and Office Bearers of GCSTSI were directed to be conducted by an independent Election Commissioner under the statutory supervision of the Regulator of Trade Organizations. Following the pronouncement of Consolidated Order No. 80/2026 dated 21.09.2026 under Rule 18(7) of TOR 2013, the matter was assailed before the Hon'ble Islamabad High Court in W.P. No. 4914 of 2026 (*Chaudhary Muhammad Faraz and another v. The Regulator, DGTO and others*).

2. The Remand Directive:

Vide consent order dated 01.10.2026, the Hon'ble Islamabad High Court remanded the matter to the Regulator with the following specific directions:

i. To re-examine the deviations and deficiencies with particular reference to the exclusions in Paragraph 1(b) of Consolidated Order No. 80/2026 (affecting members in Lists A-II and B-III);

ii. To re-examine the voters in Lists A-I and B-I annexed to Consolidated Order No. 80/2026 dated 21.09.2026;

iii. To resolve the evidentiary status of the 91 voters placed in List B-II (which were allowed subject to conditional FBR verification);

iv. To conduct this exercise after affording a reasonable opportunity of personal hearing to each affected member/voter, record specific, objective findings, identifying the precise legal provisions on which each determination is founded, and pass a reasoned, speaking order in accordance with law.

II. Specific Issues for Determination by Category

Each affected member/voter is hereby required to appear before the Regulator on the date and time specified in the schedule set out in Section IV below, to satisfy the statutory criteria governing their voting eligibility to be included in the final electoral roll of the Gujrat Chamber of Small Traders & Small Industry (GCSTSI). The scrutiny shall be undertaken category-wise, strictly in accordance with the applicable statutory provisions, the Chamber's Articles of Association and the available contemporaneous record.

Category I: Voters in Lists A-I and B-I

i. **Governing Provisions:** Rule 11(4), Rule 11(5)(a), and Rule 15(1)(b) of the Trade Organizations Rules, 2013 (TOR 2013), read with Article 11 of the Articles of Association of GCSTSL.

ii. **Issues for Determination:** Verification of the validity and continuity of membership, timely payment of the requisite membership and renewal dues, and fulfilment of the applicable statutory and constitutional requirements for inclusion in the electoral roll.

iii. **Requisite Evidence:** Each affected member shall produce the documentary record establishing payment of the requisite membership and renewal dues within the prescribed period, including, where applicable:

a) Deposit slips, challans, or other verifiable proof of payment of renewal dues;
b) Receipts, payment vouchers, or membership-fee counterfoils issued by the Chamber;
c) Relevant entries in the Chamber's original cash book, membership register, ledger, or other contemporaneous accounts maintained in the ordinary course of business; and
d) Any other relevant record necessary to establish the validity, continuity, and timely renewal of membership.

iv. **Opportunity to Substantiate Eligibility:** Every affected member shall be afforded an opportunity to produce any additional documents, records, or written explanation upon which they intend to rely in support of their eligibility. Any objection or discrepancy concerning the relevant record shall be identified and put to the concerned member for an explanation. The determination shall thereafter be made on the basis of the evidence produced, the contemporaneous record available with the Chamber, and the applicable legal provisions, with specific findings recorded in respect of each affected member.

Category II: The 91 Conditional / Contested Voters in List B- II (Tax Return Integrity & IRIS Audit)

Scanned with CamScanner

iii. **Requisite Evidence:** Live portal verification, watermarked IRIS-generated Income Tax Returns and Wealth Statements for Tax Years 2024 and 2025 proving genuine filing, reflecting commercial turnover strictly between PKR 2 Million and PKR 20 Million.

iv. **On-the-Spot Electronic Verification:** The members shall facilitate verification of their tax filings through the official FBR IRIS portal, in their presence, to the extent access to the relevant records is lawfully available. The verification shall ascertain the genuineness of the electronic filings, the relevant tax years, the declared business turnover, and any material discrepancies between the portal record and the documents contained in the Chamber's membership files.

Category III: Excluded Members in Lists A-II (363 Members) and B-III (330 Members)

A. **Curable / Documentary Omissions:**

i. The members whose names appear in Lists A-II and B-III were excluded from the electoral roll on the grounds identified in Consolidated Order No. 80/2026 dated 21.09.2026. In compliance with the remand order of the Hon'ble Islamabad High Court, the relevant deficiencies shall be re-examined individually to determine whether they constitute curable documentary omissions or substantive legal disqualifications. Each affected member shall be afforded a reasonable opportunity to produce the relevant record, explain the discrepancy, and establish eligibility in accordance with the applicable law.

ii. The members whose names appear in Lists A-II and B-III were excluded from the electoral roll on the grounds identified in Consolidated Order No. 80/2026 dated 21.09.2026. In compliance with the remand order of the Hon'ble Islamabad High Court, the relevant deficiencies shall be re-examined individually to determine whether they constitute curable documentary omissions or substantive legal disqualifications. Each affected member shall be afforded a reasonable opportunity to explain the discrepancy, and establish eligibility in accordance with the applicable law.

iii. Membership Forms / absence of Proposer or Seconder: Governed by Rule 11(1)(c) of TOR 2013 and Article 3 of Chamber Articles.

iv. *Missing Tax Returns in Chamber Physical Archives:* Governed by Rule 11(5)(b) of TOR 2013. In cases where affected members assert that the requisite income tax returns were duly filed within the prescribed period but physical copies are missing, unavailable, or were not retained in the Chamber's files, the member shall be afforded an opportunity to establish timely filing through independently verifiable FBR records. For this purpose, the member shall

produce certified copies, where available, and watermarked Income Tax Returns and Wealth Statements for Tax Years 2024 and 2025, generated from the official FBR IRIS portal, together with the relevant electronic filing acknowledgments. The authenticity and filing particulars shall, where practicable, be verified electronically against the official FBR record. The absence of a physical copy shall be treated as conclusive proof that the member failed to file the requisite return; the matter shall be determined on the basis of verified evidence and the applicable statutory requirements.

B. Substantive Ineligibility (Non-Curable Threshold Bars):

i. *Turnover Outside Prescribed Bracket (< PKR 2M or > PKR 20M):* Section 2(s) and 2(t) of TOA 2013 establish mandatory statutory thresholds for small traders. Members declaring annual turnover below PKR 2,000,000 or exceeding PKR 20,000,000 must show why they should not be excluded from a Chamber of Small Traders.

ii. *Salaried Individuals / Non-Business NTNs:* Section 2(s), 2(t), and Section 10 of TOA 2013 require engagement in trade, commerce, or industry. Individuals whose NTNs are registered under salaried income (Code 3000) or pure professional legal practice without a registered trade establishment must establish genuine trade status.

iii. *Lack of Two-Year Statutory Standing:* Rule 15(1)(a) of TOR 2013 mandates two continuous years of valid membership preceding the announcement of the election schedule. Members enrolled post-announcement or lacking continuity must produce counterfoils and renewal logs.

iv. *Individual Determination and Recording of Finding:;* No member included in Lists A-II or B-III shall be treated as finally ineligible merely because their name appears in an excluded list. The remand proceedings shall determine, on an individual basis, whether the ground for exclusion is supported by the contemporaneous record, whether the alleged deficiency is capable of lawful rectification, and whether any substantive statutory disqualification is established. Following the personal hearing and examination of the available evidence, a reasoned finding shall be recorded for each affected member, identifying the relevant facts, the applicable legal provision, and the resulting determination of electoral eligibility.

III. Documentary Requisitions

Every member, authorized representative appearing before the Regulator MUST bring and present the following original records:

The absence or deficiency of any particular document shall be examined in the context of the applicable legal requirements and the other available evidence, and the concerned member shall be afforded a reasonable opportunity to explain or substantiate the relevant particulars before any adverse determination is made.

2. **Tax Compliance & Turnover Records (Tax Years 2024 & 2025):**

   i. **Production of Tax Returns and Wealth Statements:** Each affected member shall produce certified copies of, or otherwise facilitate direct electronic verification of, the Income Tax Returns and Wealth Statements electronically filed with the Federal Board of Revenue (FBR) for Tax Year 2024 and Tax Year 2025. The documents shall, wherever available, comprise watermarked copies generated directly from the official FBR IRIS portal, together with the relevant electronic filing acknowledgments and particulars necessary to verify the date and authenticity of filing.

   ii. **Verification Protocols:** To eliminate controversy regarding cloned or fabricated returns, members are directed to facilitate on-the-spot electronic verification via the official FBR IRIS portal in their presence.

   iii. **On-the-Spot Electronic Verification:** To ascertain the authenticity of the tax documents submitted and to address any discrepancy arising from suspected alteration, duplication, or fabrication, the concerned member shall facilitate on-the-spot verification of the relevant returns and Wealth Statements through the official FBR IRIS portal, in their presence and to the extent that the relevant records are lawfully accessible. The verification shall be directed towards confirming the tax year, taxpayer particulars, filing status, acknowledgment details, and relevant declared business turnover.

iv. **Reconciliation of Discrepancies:** Where any discrepancy is found between the documents produced by a member and the records available through the official FBR portal, the nature of the discrepancy shall be brought to the member's notice, and a reasonable opportunity shall be afforded to provide an explanation and supporting documentary evidence. Any adverse finding shall be based on verified material and recorded with reasons in accordance with the applicable law.

v. **Cooperation and Consequences of Non-Production:** Each affected member shall extend reasonable cooperation in the verification process and produce the relevant records within their possession or control. The member's eligibility shall be determined on the basis of the available evidence, the contemporaneous record, and the relevant statutory requirements.

3. **Financial Trail:**

   - Deposit slips/vouchers, receipts or counterfoils and renewal logs evidencing payment of membership and renewal fees on or before March 31, 2024, and March 31, 2025 (20 April, 2026).
